SEAN CASTEN

DEMOCRAT *for* CONGRESS

Dear Sonni Choi Williams,

July 25th, 2022

I know you have an election to win, so I'll be brief: **I am excited to inform you that I am endorsing your campaign.** Whether it's addressing our climate crisis, getting our economy safely back to work, or something in between -- I believe that you are the right person to help lead our community through the challenges we face. Truly, I am proud to stand with you and have issued the following statement about your campaign:

"Today, I am endorsing Sonni Choi Williams in her election for the Judge of the 3rd District Appellate Court. She knows that real leadership is about public service. Through her past public service, she has demonstrated she has the right experience, passion, and drive to bring our neighbors together to tackle the challenges we face. She has already been a tireless advocate for our community and that's why I am proud to endorse her campaign."

As part of my endorsement, you have my permission to use an approved headshot of myself and the above quote however you see most helpful to your campaign.

If you have any questions or requests, please reach out to my campaign manager at don@castenforcongress.com.

Sincerely,

Sean Casten
Congressman, Illinois Sixth District
